2 Vehicle Registration Details

It is essential that all the relevant sections are completed. Without full details, registration of your car cannot be made and the Register will be incomplete.

Please look for the chassis and engine numbers on the car rather than quote from the Vehicle Registration document. Please quote all numbers in full with any letter prefixes or suffixes.

3 The information you provide will be held on a computer, as part of the Register's database. Contact details for members can be supplied to any paid up member. This will be limited to Name, Town, Phone Number and e mail address if applicable. If you do not wish your details to be provided to any one other than office bearers for admin purposes, please advise the Membership Secretary when you return this form. Your address is used to produce mailing labels for the distribution of *Wolseley World* and other publications produced by the Register. The vehicle details are held as part of the Registrar's records.
