Declaration of interest to participate

The National Trust (NT) has recently been given the property Nuffield Place, the former home of Lord and Lady Nuffield, by Nuffield College in Oxford. The Wolseley Register in conjunction with the National Trust is to run a two-week Jubilee Tour of Britain to raise money for the NT's appeal for an endowment to provide a firm footing for the future and upkeep of Nuffield Place.

Given the important roles that Lord Nuffield, probably better known as William Morris, played in the fledgling British motor industry and also in the preservation of the Wolseley marque it was felt appropriate that the Register should help the NT in this project. It was, after all, William Morris who purchased Wolseley Motors Ltd in 1927 from the receivers to ensure the Wolseley name survived.

We are getting a tremendous amount of support from the fundraising team of the National Trust who were thrilled and impressed by the initiative we have taken. Our Jubilee Tour will be publicised and then reported in their magazine and regional newsletters.

The route will pass through some of the most picturesque parts of the United Kingdom. As well as being an exciting event to raise funds for the National Trust's appeal, it is designed to be a reasonably leisurely touring holiday for participants, visiting various NT properties en route. We are hoping to involve as many Register members as possible and there are different ways in which you can take part:

1. To drive the entire route over the two weeks
2. To join the route for perhaps one or two days, a long weekend, or even more: the stages are entirely your choice
3. To visit the National Trust properties on selected days the 'tourists' are calling in, and be part of a display of Wolseley cars in a designated prominent parking area to wave the 'Wolseley flag', and to 'meet and greet' the tour participants.

This form is not an application form and returning it does not commit you to anything. It is merely necessary at this stage to assess the likely level of participation in the tour. We ask you to please return the form to assist in the planning of the tour principally to assess the demand for overnight accommodation and to alert the National Trust as to the likely number of Wolseley cars at each location. Your interest shown will also help us in the negotiations we are having with a few high profile potential sponsors.

Everyone will also receive a formal application form in due course and we will endeavour to provide participants with a list of places to stay at each overnight stop in order for individuals to book their own accommodation to suit their own tastes and budget. It is anticipated that there may be a nominal entry fee to cover certain administration costs (to be confirmed when the formal applications are sent out), but the main cost will be your own travel and subsistence costs for whichever stage you wish to enter.

If you are interested in taking part in the complete tour, please tick the box by the relevant statement on the form. Otherwise please tick the relevant boxes in Column A **OR** Column B. If you wish to join the route for particular daily stages tick the relevant days in Column A. Or if you wish to visit a National Trust property on the date that the tour participants will be passing through, please tick the relevant box in Column B.

When completed please make a note of the dates in your diary, and return the completed form by Thursday 15 December so as to avoid the Christmas deluge to:
**Stuart Nell, Chantry House, Castle View Road,
 Easthorpe, Nottingham NG13 0DX.**
 If you have any queries you can call Stuart on 01949 844870.

From informal conversations to date, we believe there is enthusiastic interest in the Jubilee Tour, and so we hope you will wish to take part, and can help us with your expression of interest. We thank you for your help. Please watch future issues of *Wolseley World* for more news and the formal application form.
